Hello Tammy,

In regards to the minutes, the item at the bottom that you added should be called "New CAG Attendees". Also, you will be including Alex' January meeting handouts when you send how the final version of the January minutes; there should be both a handout & a map.

Alex, if you haven't already, can you forward your January handouts to Tammy? I don't think I have a digital copy yet.

And Tammy, please turn the document into a PDF and change "draft" to "final" in the subject line before you send it out.

I'm sending this email from the address I will be using for AJ work - and, as I mentioned, my ucdavis.edu address forwards to this site as well.

Thank you!

Janis
